

Lisa Pettigrew

**National Director & General Manager
CSC Healthcare**

Lisa Pettigrew leads the CSC Healthcare practice across Australia and New Zealand. Lisa joined CSC in 2009 and has 20 years experience in supporting clients in the health, human services and public sector markets in Australia, New Zealand and overseas.

Lisa's role encompasses delivering the CSC Healthcare strategy and plan through providing end-to-end eHealth and IT solutions and services to support our clients in achieving their goals of safer, quality and sustainable healthcare for all.

Lisa is part of CSC's Global Healthcare leadership team and leads a local team of 50+ health & clinical consultants, architects, program delivery experts, analysts and others. Lisa's team brings and localises relevant international experience, assets and skills from CSC's extensive work in the health sector in UK, USA and Europe. Lisa and her team contribute to the CSC Global Institute for Emerging Healthcare Practices and regularly contribute to Australian health reform activities.

In 2011, CSC acquired iSOFT, a large global, healthcare software provider. iSOFT provides solutions to most Australian and New Zealand healthcare organisations including 90% of the hospital pharmacy market and over 70% of the PAS market. The iSOFT acquisition brings 300 staff into the CSC Healthcare Family.

CSC is supporting several state governments and the Federal government with eHealth and health IT projects and managed services programs. iSOFT, a CSC Company, provides solutions and services to almost all public sector healthcare organisations and many private healthcare organisations.

Lisa spends time in all major cities across Australia supporting CSC's clients and staff and meeting with clinical and political leaders and advisors.

Lisa is a Non-Executive Director on the Board of MS Australia (NSW, Victoria, ACT) and on NeuRA (Neuroscience Research Australia).

Lisa is the Deputy Chair of the NSW Health Ministerial Advisory Committee.

Lisa was named one of the 25 'Women to Watch' in the Australian Financial Review BOSS magazine's 2010 inaugural 'Women to Watch' issue.

CSC – A Global Leader in Healthcare

CSC is a global leader in providing technology enabled business solutions and services in many industries. Within the health sector, CSC is the world's largest health systems integrator.

With 94,000+ employees worldwide and over 9,000 professionals dedicated to the health sector serving public sector, private sector and not-for-profit providers, health plans, pharmaceutical, medical device manufacturers and allied health industries globally, CSC is recognised as a leader in transforming the healthcare industry through the effective use of information to improve healthcare outcomes, decision making and operating efficiency.

In 2011, CSC acquired iSOFT, a large global, healthcare software provider supporting 13,000 healthcare providers in 40 countries. The iSOFT acquisition is complemented by acquisitions of Applabs (testing services) and Maricom Systems (supporting mission critical health IT systems in the US Department of Health & Human Services).

CSC has over 20 years of experience in the healthcare industry, with clients in the Americas, Europe, Asia, the Middle East and Australia.
