

IF YOU CAN'T STAND THE HEAT

ENTERPRISE-WIDE SUSTAINABLE COMPLIANCE CAN HELP YOU MANAGE MULTIPLE GOVERNMENT MANDATES, CUT COSTS AND REDUCE YOUR RISK

"We needed faster, more accurate and efficient environmental data submissions from state and local governments. By creating the single gateway to and from our agency, CSC helped us accelerate our path to results."

— Head of Compliance, Environmental Agency

"We were far behind on compliance, and the pressure was mounting to address existing and new mandates. By working with CSC, we established a business architecture that helped us accelerate our compliance and the delivery of our business strategy."

— Compliance Officer, Manufacturer

Governmental regulatory compliance (GRC) is more costly than ever!

Ineffective response to GRC leaves your company open to huge liabilities. Addressing federal, state and local government mandates in a stovepipe environment can have significant operational implications. By taking an enterprise approach to compliance, your company can optimize the costs and risk in a way that best suits your business.

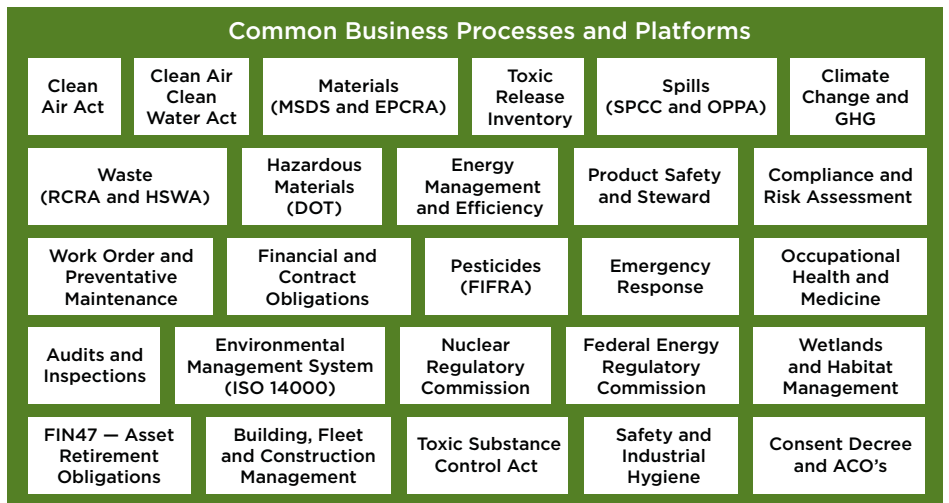

Don't let them see you sweat!

Find out how our enterprise approach to compliance and sustainability can help you support your company's strategic business initiatives by managing multiple mandates throughout the compliance lifecycle — from strategy to design, implementation and operation.
